SOUTH DAKOTA FARMERS UNION

# LEGISLATIVE DAY

Tuesday, February 25, 2020 - PIERRE

You're invited to experience South Dakota Farmers Union's annual Legislative Day Tuesday, February 25, 2020, in Pierre. Gather with other Farmers Union members from across the state to experience the South Dakota Legislature like you may never have before.

We'll meet in the Capitol Rotunda, before going for committee hearings. Then we'll meet back in the Rotunda for a free lunch with the legislators before we head up to the general session.

It's a chance to have your voice heard at your state Capitol. Get access to elected officials and discuss the issues that matter to you. Learn more about the legislative process and get involved in your government.
