

UNION FARMER

2016 Insuring a Brighter Tomorrow Scholarship Winners Announced

The South Dakota Farmers Union Foundation, in cooperation with Farmers Union Insurance Agency, have announced the recipients of the annual Insuring a Brighter Tomorrow scholarships.

Twenty-five high school seniors from across South Dakota will share \$25,000 in scholarships to be used to further their education at a South Dakota post-secondary school. Over the past eight years, the Foundation has awarded more than \$175,000 in scholarships to students attending South Dakota post-secondary schools.

Each of the 25 scholarship recipients will receive \$1,000 to put toward their post-secondary education at a South Dakota college, university or technical school. The recipients were chosen from among a large pool of applicants. They were scored based on a combination of academic record, activities and awards, financial need, and an essay relating to how they will "Insure a Brighter Tomorrow" in South Dakota.

Farmers Union Insurance agents throughout the state fund this scholarship program administered by the Farmers Union Foundation. "Our insurance agents are committed to building a brighter future in South Dakota," said Jason Wells, Regional Manager of Farmers Union Insurance Agency. "This is a remarkable group and they make me excited about the future of our great state. We're choosing to invest in these outstanding individuals to help them pursue their goals and aspirations. ■"
